## Grade 304 Premium Range

**Grade SS 304** stainless steel is the material of choice for premium bathroom accessories. It is a high-quality alloy that is resistant to rust, corrosion, and tarnishing, making it ideal for use in humid bathroom environments. SS 304 is also strong and durable, so it can withstand everyday use without becoming damaged or bent.

In addition to its practical benefits, SS 304 stainless steel also has a sleek and modern appearance. It is available in a variety of finishes, including polished, brushed, and matte, to complement any bathroom décor.
